Spunk Mail

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Dear Michelle,

Lovely to see you back in the magazine this month – especially the wonderful picture of your lovely bum on page 60. Prop the mag up a few feet away and a pic like this is almost lifesize – what a fantastic sight to get the sap rising!

Anyway, the reason why I'm writing is to ask if you can run a set of Sunny Leone. I read the interview with her this month with great interest – I hadn't realised she was of Indian descent before, but just reading about her has given me the urge to see her in *Men Only*. Reckon you can help?

Jason, Huddersfield.

Michele says: For a girl as sexy as Sunny we'll definitely see what we can do. Watch this space, Jason!

WISH YOU WERE REAR?

LAYLA – WE'VE GOT HER ON HER KNEES…

Dear Michelle,

I've just picked up the latest issue (77.07) and I have to say it's another triumph! Starting with new girl Carmen and her magnificent boobs, and then fellow newbie Layla. All I can say is 'Wow!' Danielle Maye, meanwhile, didn't disappoint either – but then how could she? As if all that weren't enough, then we had the set with you parting those delicious fanny lips of yours – amazing stuff!

You can rest assured that thousands of horny guys like myself will never stop junking over your fantastic pic!

Steve, Oldham.

PS: Any chance of a signed pic?!

Michelle says: Thanks Steve – glad you enjoyed the latest issue! You're obviously a bit of a boob man (nothing at all wrong with that, of course!) so I hope you enjoy Abbey and Wanda from this issue – personally I think their boobs are sensational!

Dear Michelle,

I'm guessing Layla, from your last issue, is of Latina extraction, because she looks just like a girl I was lucky enough to go out with for a while when I was working in Panama. Her name was Maria and she was absolutely amazing in just about every department! Sadly I was only there on a short contract, and it wasn't long after I left that I heard Maria had got married, but I can still vividly remember just about every inch of her body – I did spend quite a few hours exploring it, after all! – and those pictures of Layla took me right back to those times. Many thanks for prompting the happy memories, and if you can print Layla or any other Latina lovelies in the future, please do!

Gerry, Stoke.

Michelle says: Lucky you for getting to go out with someone like Layla! More Latina types? We'll see what we can do…

Dear Michelle,

I've never written to a magazine before – but then again, what's just happened to me has never happened before, either! Two weeks ago, I was on a long weekend break in Looe, Cornwall. It was a clear, warm day *(Blimey! – Ed.)* so I decided to head down to the beach. Even though I'm in my mid-30s, I still have a good body and keep myself in shape. I was lying sunbathing on my front when a shadow fell across me. I looked up and was pleasantly surprised to see a gorgeous-looking girl, laying a towel out near me. I shifted around slightly to get a better look at her, and wasn't disappointed I had; she must have been in her early 20s and was super-pretty. Her breasts were like small stings and held within a tiny bikini top and as I watched, she let her blue sarong fall to the ground, revealing little matching bikini bottoms. My dick began to swell as the thin material dropped, her taut young body

We can never quite tell who enjoys these shoots more – us or Beth! Obviously the fact that we all flock to the studio suggest that her visits are always red-letter days in the *Men Only* calendar, but then from the way she caries on once she's got a camera pointing at her, you'd be forgiven for thinking that we'd arranged the whole thing purely for Beth's enjoyment! So has she always been such an exhibitionist?

"Well, pretty much. My first ever boyfriend turned me on to it – he used to love watching me on my own on the bed, playing with myself, and it wasn't long before I realised that I was enjoying myself even more than he was. I used to try harder and harder to put on a really dirty show for him – and I always got rewarded with a fantastic fuck afterwards!"

Hmm, well if you fancy a similar reward after this shoot, we're pretty sure we could find a willing volunteer or thousand!

Men Only TOY OF THE MONTH

RAMPANT MAN
Bondara.co.uk
£29.99

Evolution can be a terrible thing – just ask the giant sloth, the woolly mammoth or poor old Lonesome George – but thankfully there is a way to reverse its effects. For all the blokes out there who feel their missus gets more fun out of her rampant rabbit vibe than she does out of her fella's pride and joy, you can no save the old chap from extinction by turning your knob into a rampant rabbit!

The Rampant Male is a kind of stretchy cock sleeve that fits (just about – you'll need a good bit of lube and patience to get it on) over your prick, addling slightly to your girth and also a bit to the length, but the real selling points are the vibrating rabbit ears at the base – in just the right position to diddle her clit as you pound away – and also a pressure activated vibe in the very helmet of the sleeve, which buzzes deliciously each time you give a proper thrust.

The vibe bullet under the rabbit bit has a total of 10 different vibration patterns, meaning you should be able to bring her off in no time at all, and the sensation you get from wearing it, once you get used to it, is pretty stimulating for the man as well. All in all a win-win – and perhaps now she'll leave her old bunny in the bedside drawer a bit more and give you a look in!

glistening in the sunshine, as it was uncovered.

Her pelvic bones moved, feline-like, under her smooth skin, framing her flat stomach. The black bikini knickers barely covered her cute, shapely bum. I couldn't take my eyes off her and I shifted as I felt my cock harden, moving the sand around to make myself a bit more comfortable. As she lay out her towel she bent over and for the first time I could see the flat area between her legs. Only a thin strip of taut black fabric separated me from seeing her succulent pussy lips.

I watched as she rummaged around in her bag. 'Lotion, please God, let her be looking for lotion,' I murmured to myself. My prayers were answered, as she produced a small bottle of suncream and began to slather it all over her beautiful body. She moved around as she smeared the white cream into her skin, making sure she didn't miss any. Her hands gently slipped between her legs and began to massage lotion into her inner thighs. I couldn't believe my luck! I tore my eyes from her wandering hands to look up at her face And she was staring directly at me. I was mortified, being caught ogling a young girl, but she just smiled at me and continued stroking the tight skin between her legs. Her smile had been cheeky, seductive even. I was hooked.

She lay on her front, facing me with her eyes open. She smiled again and closed eyes. I followed suit, picturing what she'd look like naked, but when I opened them a few seconds later, she was gone. I looked up to see her running towards the sea and the next moment, she was lost amongst the waves. My hard-on was now aching and I was desperate to come. The image of her body had burned itself onto my mind and I needed to spill my seed. I hate the idea of wanking in public toilets, but as the gents was within sight I figured that needs must and all that…

The toilets were empty. I closed the cubicle door behind me, sat down and dropped my trunks. My prick was swollen with thoughts of the sexy girl in the black bikini. I closed my eyes and pictured her until she became vivid and alive in my mind. Only then, did I start to bash myself off.

A knock on the cubicle door brought me back to reality with a start. I glanced down and spotted two small, tanned and sandy feet standing outside – I was so shocked I couldn't even breathe. There was another knock. Hesitantly, I leaned forward and opened the door. In one fluid motion, the girl in the now-wet, black bikini moved inside the small space with me. As she turned away to lock the door, she whispered, "I'm Juliet…" Then, still with her back to me, she moved her hands inside her bikini bottoms and slowly began to pull them down, bending over right in front of me, as she did. Inch by inch she uncovered the soft, round curves of her bum; the skin was tanned a rich-brown, but her bikini revealed a triangle of pure white arse. In the centre of that milkiness, nestled within her crack, lay her beautiful, nut-brown arsehole.

I leant forward and licked her puckered hole, tasting salt from the sea. Her anus was tight, but Juliet reached around to her cheeks and pulled them wider apart. For an instant, her bumhole parted and my tongue pushed into her body. Juliet let out a tiny gasp as my tongue swirled inside her. I could feel the ridges lining her secret hole, and as my tongue darted in and out, her breath grew short and sharp. Juliet let her cheeks go and her ring instantly tightened around my tongue. I felt her squeeze her sphincter muscle a couple of times, so I withdrew my tongue and gently kissed her puckered hole gently, which was now covered in spit. My tongue drifted further down over white skin and deep into the glistening pink folds of Juliet's shaven pussy. My nose nestled into her wet bumhole as my tongue swam in her flowing juices. I couldn't quite believe that I was smelling and tasting this beautiful stranger, who now moaned in rhythm with my thrusting tongue.

After a few minutes of this, she turned to face me, kicking off her bottoms completely and undoing her top. It fell away to reveal her tiny, pert breasts, topped with swollen rose nipples – she was truly gorgeous. There was no smile on her face now, Juliet's eyes feasted on my throbbing tool and she (in a very porno-like way) licked her lips. I told her to close her eyes and when she had, I wiped the pre-come, dribbling from my tip, moistening my fingertips. I pinched her nipple, causing her to moan, and as she opened her mouth to emit the noise, I gently pushed my fingers – still sticky with my seed – into her mouth. Juliet groaned as she

"Juliet groaned as she licked my fingers clean before whispering, 'Fuck me!'"

GRISLY ADAMS…

Zombies are everywhere these days – it's a wonder they don't have their own event at the Olympics, frankly. This film takes the classic shtick and transfers it to the backwoods of America just after the Civil War, so as well as the all the slaughter the confederates and unionists have wrought, there's the added threat to humanity of a shuffling army of zombies out to chew your face off…

The pace is often contemplative, which is unusual for a zombie flick – but there are still plenty of chills – and we've got three copies to give away! Just tell us who won the American Civil War and send your answers to Men Only's Humanity Comp, 37 Pear Tree Street, London, EC1V 3AG (or email menonly@paulraymond.com) before August24t 2012.

TOE GOOD TOE BE TRUE!

licked my salty fingers clean, before whispering, “fuck me!”

I sat back down on the closed toilet and Juliet climbed on top of me, pushing her nipples in my face, in the process. I slid my hands around her slim back and down into her bum cleft, as she positioned her wet opening over my rigid cock. She paused and then, looking directly into my eyes, impaled herself upon me. I don’t have a huge cock but it’s thick and veined and, within this tiny body, I stretched her soaking opening wide. Her body shook with waves of pleasure as she slipped up and down my slippery pole. Then she began to roll her pelvis rhythmically, grinding her pussy along my length, her breath growing frantic and sharp. I could feel my balls tighten, so I slipped a hand down to her wet anus. She bucked as my first finger entered her and gasped as I forced a second in, stretching her brown hole.

“Her body shook with waves of pleasure as she slipped up and down my pole.”

As I kissed her, she was ready to come – unsurprising really, as her every hole was filled with dick, finger and tongue. She quickened the pace, stabbing herself down on my swollen prick until her muscles tensed and shuddering waves of ecstasy crashed over her. I hung on until her climax subsided before releasing a flood of spunk that surged out inside her. As I thrust into her the last few times, squeezing out every drop, Juliet kissed me, exploring my mouth with her tongue, before grinning up at me devilishly with that devastating smile of hers.

Many times I read these letters pages and think that these things don’t actually happen in real life – well, they do! And I’m so glad they do! Juliet is only 22 and lives down near Looe, so a relationship wasn’t feasible. However, she did give me her number and I’ve already booked a trip back down in September, so you never know! I’ll keep you informed of any more encounters!

Ollie, Ayrshire.

Dear Michelle,

I just wanted to write in to say a big thank you for the pictures you printed of Cherry Jul in your latest issue. Although I wouldn’t say I was a full-on fetishist, I definitely have a bit of a thing for women’s toes, and that picture of Cherry on page 19 where she’s splaying her tootsies out for us hit just the right spot.

Luckily I’ve had quite a few girlfriends who could do that, and they never seem to mind when I ask if I can lick between their toes while they’re splayed – especially as it usually ends up with me moving up to their pussies and giving them a good lick as well. I bet Cherry would love that, too – especially as I reckon I could lick that pussy of hers for hours and hours without stopping!

Eddie, Hemel Hempstead.

Michelle says: I can’t see why any girl would object to having her toes licked – it’s a fabulous feeling!

It's been almost a year since we last treated ourselves to an eyeful of London lovely Lexi's luscious bod, which really is far too long, frankly. Still, here we are (I say 'here' – this set was actually shot in Spain because it was far cheaper to go there than to employ someone to spend weeks and week's trying to photoshop a blue sky into a set shot in this country). So what's the girl herself been up to?

"I've had a very naughty year, thank you very much!" she told us, before proceeding to regale us with tales of her lovers and the naughty things she's been doing with them. It's good to know that such a lovely bod isn't going to waste, although we couldn't help feeling a twinge of regret that all her naughty instincts were being played out with other people…

Come on – what are you waiting for?!

For Ellie the score is definitely 'dirty-love'!

I have always been sporty, and especially like to swim and play tennis. I also enjoy running and cycling, so all in all I keep myself pretty fit. I like my men muscular and fit too, especially if he is supple and can give me a good workout during intercourse.

For the longest time I had watched Pete. When the yearly club tournament came around, I managed to work up the courage to ask him if he would like to partner me in the mixed doubles and we set up a number of practice matches so we would be in sync on the court.

I immediately began planning my outfits for these practice sessions. I love wearing whites, and keep my holiday tan topped up with sunbed sessions so I can show off my long legs to best advantage. I looked through my collection of dresses and skirts and decided to treat myself to something new and more alluring to catch his attention.

The first evening I arrived at the club in my new tennis dress. It was very short with a bright pink trim, and made of a delectable clingy fabric which showed off all my curves to perfection. Just to add that extra tease, I found the perfect pair of matching panties, with the same shocking pink trim, guaranteed to draw his gaze to the area between my thighs.

We met on court and had a real work-out with another couple whom we knew from the club. They were very competitive and even though this was just a practice match it was fast and furious. Pete and I played well together and managed to win the match in the end. Pete played out of his skin, and I couldn't help thinking it was because I'd promised him a little treat if we won. And from the look in his eye, he'd realised exactly what I meant.

It was fairly late and all around us people were finishing matches, or gathering up their gear and leaving the courts. As I bent over to pack my racket I peeped back at Pete and saw him watching me with interest. I caught his eye and he winked, moved behind me, and slid his hand up my skirt, grabbing an arse cheek and squeezing it sensually. I stood up, turning to him, and found myself being drawn into his arms.

"Pete's fingers slid in and out of my pussy while his thumb circled my clit…."

Without loosening his grip on my buttock he kissed me, and I could feel his erection pressing into my belly.

"Tease," he whispered as he held me against him. His body felt hard against mine and my panties became damp as my excitement made my pussy wet. My nipples ached for his touch and I pressed my body closer to his. It was a very public place but I was desperate to get laid, so I paid no heed to our whereabouts and ground my fanny against him.

Luckily Pete had more self-control, and still holding my hand he gathered together our two kit-bags and led me towards the car park. Dropping them by his car, he drew me into a small copse at the edge of the car-park. I saw with relief that it screened us from the courts and the club house, and once behind the trees I encouraged him to pull me against him once more.

Suddenly his hands were all over me, making me squirm with pleasure, and as I reached for his zip his hands delved inside my panties. As he slid two fingers inside my wet pussy I managed to lower his shorts and underpants, releasing his cock. It was large and felt heavy in my hands, and my pussy dripped with desire as I began stroking it.

Pete's fingers slid in and out of my pussy while his thumb circled my clit, making my insides clench as my pussy contracted around them. My fingers tightened on his cock, squeezing his shaft as I came, pressing my face into his chest to stifle my moans. As soon as I had climaxed, I sank to my knees on the grass, and, cupping his balls in one hand, began sucking his cock.

We were still sweaty and hot from our exertions on the court and the masculine smell of his perspiring body made me hornier. I opened wide and took his length deep, sucking him as hard as I could until my cheeks hollowed and I could feel his cock-head touch the back of my throat. It was the first time I'd had sex in a public place, and, while I was nervous, the sheer audacity of it excited me. Spurred on by the whole situation I bobbed my head furiously on his cock, and only let up when I felt he was in danger of coming in my mouth.

Pete sighed unintentionally in disappointment, and helped me to my feet. He pushed my skirt right up and lowered my panties in one swift move, making me wriggle in delight as I felt the breeze on my naked buttocks. Pushing me up against the trunk of a tree he asked me to put my arms around his neck and wrap my legs around his waist. Supporting my arse-cheeks with his strong hands he slid his big cock inside my throbbing pussy. My eyes closed as he burrowed inside me, filling me with his rigid manhood.

My pussy gripped tightly around his shaft, clenching delightfully as it began to spasm around the thick intruder. Back and forth and side to side he moved his rock hard weapon, creating exquisite sensations as the friction of his large member brought me close to orgasm.

His fantastic size and girth driving into me had me gasping for more, and Pete certainly had plenty of stamina! With his big cock pounding my pussy I had to use all my experience to extend my pleasure before I succumbed to his thrusts. I buried my face in his chest to prevent myself from crying out as I came, and only a second later he pumped his load inside my still-tingling pussy.

"My eyes closed as he burrowed inside me, filling me with his rigid manhood."

In case you're wondering how we managed to schedule this shoot for a sunny day (remember them? It's what you get when there aren't loads of those big grey things in the sky dropping water on your head) we'd better explain – we decided to give Busty blonde debutante Abbey here the full *Men Only* experience and head her overseas to sunnier climes for this shoot. It was either that or have her sitting in a bus shelter wearing a sou'wester, and while she'd probably have looked just as sexy like that, the lens would have got wet pretty quickly and the pictures would have come out all blurry. Anyway, all went well with Abbey and the trip, and to prove the point here are a selection of the more printable pictures from her sun-kissed frolicking! All in all it was probably worth the effort, don't you think?

Jayden

It's not every issue we manage to tempt an international star of the big and small screen into *Men Only* (although it's not for want of trying!), but we've managed it this month alright! No, we're not talking about Jayden either (although if there's any justice in the world it won't be long before she's seeing her name up in lights) but the motor. Look closely and... yes, that's it, what we have here, folks, is none other than David Hasselhoff's old *Knight Rider* sidekick Knight Industries Two Thousand, aka KITT! But how does Jayden feel about sharing the stage with such a famed set of wheels?

"Oh, I was pretty young when *Knight Rider* was on, so I don't really remember it. And anyway, I'd like to think your readers would be more interested in me than the car!"

Hmm, well now we come to look at you, we suspect you might be right!

"I definitely like white cocks… but my fantasy is always gigantic black cocks! It's just so taboo for little girls like myself to fuck big, black cock…"

Interview

Tara Lynn Foxx

Young Tara Lynn Foxx has been in the business since early 2009 when she had just turned 18. Instead of starting out slow like most girls, the 5'7" blonde went full throttle. Tara truly seems to love sex, cocks and come, and it's no surprise that after 100 movies she has made an impression on the fans and the adult industry's honchos.

Of Italian, Irish and Russian decent and hailing from Oakland, California, Tara moved around a lot, breaking hearts along the way. Despite her young age, she is the type of girl who goes after what she wants and who should never be underestimated. It's that attitude which got her into porn in the first place – thank fuck!

What lead to your start in the adult industry?
I used to surf different porn websites because I masturbated a lot after school and I was too young to go out and rent DVDs. So one day I stumbled across a live webcam site where you could communicate with lots of different girls. I figured I would be perfect for that, so I contacted the webmaster and became a webcam girl.

What type of webcam shows did you do?
Anything the caller wanted. I would masturbate and talk dirty. A lot of it was role playing. It was hot! A few months after that, so many viewers had suggested I try porn so I took the next step.

Were you a good student?
No, I was a very bored student, I couldn't wait to get out of school and I really wanted to move to Los Angeles because I figured that's where the future was.

What would you say is your trademark as a performer?
It's all about oral with me. Even though I often do anal, fans seem to be obsessed with my lips somehow.

Could you describe your idea of a great blow-job…?
Me and a black cock. I definitely like white cocks too but my fantasy is always gigantic black cocks! It's just so taboo for little girls like myself to fuck big black cock, and that's a real

"I have to say 99% of men have great tasting spunk. I never say no to a mouthful!"

turn-on for me; the forbidden fantasy.

So what size do you prefer?
These days, I want not too big and not to small. Since last year I have acquired a taste for anal sex and DPs so something medium sized it best, although I don't mind huge once in a while. But no matter the size of his cock, I'm addicted to cum so I love it if the guy can shoot a big load.

Where do you want the jizz blast?
In my face, because if I don't get to taste it, I would be terribly disappointed.

What's your best trick when giving head?
I just think it's very important to deep throat. I've been sucking cocks for years now so I've had tons of practice and that skill came in handy when I started in porn. But anyone can learn how to deep throat and I highly recommend it.

You seem to really enjoy swallowing.
I do, I have to say 99% of men have great tasting spunk. I never say no to a mouthful. I didn't even know there are girls in porn who never swallow. That's crazy.

What's your favourite type of sex scene?
Interracial. I'm sorry if I sound like a broken record, but I really love black cock so when I'm booked for interracial scenes it's always a special treat for me.

Every job has its peeves. What irritates you about your profession?
Well, I don't want to work nine to five, but… Sometimes there are crazy delays, and we end up being on set for fifteen hours straight, just waiting around for the production team to do something. That can be a little frustrating.

What is your personal sex life like?
It's much more normal. I started fucking at an early age, so I had lots of guys but it was never anything out of the ordinary. I guess the craziest thing I had done was a DP. And that only happened one time. I was a popular girl but I didn't really experiment much.

Would you consider changing your body?
I would never get plastic tits or anything, but I recently started going to the gym to get rid of my baby fat. So hopefully that will be a nice change, of sorts.

What is the best way to make you come?
The best way to make me come is to fuck my in my tight little pink pussy mish or doggie… Although I can't even imagine what it might feel like coming with a vibrator on my clit, a dick in my pussy, and a dick in my ass – that would be amazing.

Who would you say is the most famous porn star you have worked with so far?
Definitely Nina Hartley! I was so excited about it I had to call my mom up and tell her. Even my mother knows who Nina Hartley is. She was genuinely very impressed, so that was just awesome!

Are you a real life bisexual?
Yes, I'm bi. I like butch girls. In real life I've only had boyfriends, but I have had fun with my girlfriends while boys were watching. I do fantasize about being with a girl alone though… But I like cock more than pussy so if I have to choose, cock would win out every time.

What are some of your hobbies?
I like hard rock, over all I listen to a lot of rock and I love going to concerts. And I play volleyball on the beach several times a week. It's a great way to meet men, ha!

What is your one sexual fantasy?
My fantasy when I was a teenager was always to get into porn and become a famous porn star. That was all I ever wanted. I'm serious; it really was my dream.

How about collage?
I can always do that later. My time to shine is right now!

Wanda

WorldM .net

Holey-moley – I think I'm in love! As soon as I looked into those limpid grey/blue eyes of Wanda I felt a certain something start to come over me, and just when I started wondering if I'd finally met the most perfect woman in the world I glanced downwards and glimpsed her astonishing boobs! It was as much as I could do to stop myself going down on bended knee right there and then – not to propose or anything, but to get even closer to that magnificent frontage of hers! So what's it like, having grown men falling at your feet in adoration?

"It's fantastic!" she replied with a husky smile. "I like to be in control, and if a guy wants to get near my body he's got to play by my rules!"

Well that sounds fair enough. If you've got a copy of the rulebook handy now I'll start swotting up right now, if that's OK…?

Plastic Copulation

Can synthetic partners ever replace the real thing? For thousands of people across the world they already have. MATT LOXHAM takes a look at the options…

"Hey doll, stop perching on that table and get your rubber arse over here!"

These ones are so horny they've even started screwing each other!

The blow-up doll. A traditional feature of rowdy stag dos with its willing mouth, vacant stare and legs akimbo. Dress her up, throw her around a bit in the boozer and if the poor girl survives the evening someone might end up having a go at popping her back at the hotel. The video could even end up on YouTube. This is the acceptable face of the 'love doll'. A cheap prop on a night out that generally ends up with deflation all round – a joke rather than an object of desire.

But what happens when Plastic Annie or Silicon Suzie become more than just a bit of pumped-up fun? Developments and innovations in the world of rubber dolls in recent years have seen them become realistic enough to in some cases replace human partners for both sexual relations… and even companionship.

Some people think it's all a bit weird, some think it's really sad, but others think it makes perfect sense. After all, after the initial outlay a synthetic girlfriend doesn't cost much to keep, doesn't nag, and never has a headache. Many cite the cold, dead eyes and uncommunicative nature as an issue, and they might well have a point – but most likely those people aren't married.

So at what point does an artificially-made woman stop being a joke and become something that you might actually buy to fuck? And when can a love doll go one step further and become a legitimate companion? Although there are several companies who create very high-spec models aimed squarely at individuals seeking a premium plastic partner, at the very basic end of the scale the Pipedream's Superstar Series range seems to neatly mark the line between a saucy product people can have a laugh with and something many purchase for sexual gratification.

Offering a whole host of hot celebrities, for the princely sum of around twenty pounds a pop, the Superstar Series makes it possible for individuals to own an inflatable version of their favourite celebrity with three fully penetrable orifices to boot. Lady Gag Gag apparently 'Loves it when you poke her face' and Sarah Jessica Pork Her 'Loves sex in her shitty'. There's even a Tiger Woods version for the ladies, who probably enjoys a hole

in one. Some imagination is required to overcome the shoddy likenesses and tacky plastic bodies, albeit perhaps less so with the Pamela Anderson model.

The Superstar Series has proved incredibly popular, with certain celebs such as 'Finally' Miley Cyrus selling out just days after going on the market. Indeed, sales have been matched only by the amount of lawsuits the range has attracted, but the combination of popularity and notoriety has served to put the idea of fucking a sex doll into the mainstream conscience. Quite an achievement, and one only matched by Pipedream's having managed to create a version of Paris Hilton even more vacuous looking than the original.

However, while many people seem to like the idea of humping a blow-up version of their favourite star, this is hardly the kind of thing you could sit in the corner of your living room and pretend it was the real thing.

If you're really serious about buying a dummy bride then the first port of call for your perfect silicon soul mate will most likely be RealDoll.

Standing – or lying prostrate – at life size, and designed to recreate the appearance, texture and weight of the human form, the RealDoll is a poseable and customisable companion where the prospective owner can choose everything from eye colour and make-up to skin tone and pubic hair style. Not only that, but thanks to something rather sinister sounding called the 'Face-X System' any face can be interchanged with any body, meaning that if you get bored of your model partner you can just stick a new head on, Wurzel Gummidge-style, and you've got a brand new 'girlfriend' with whom you can share a cup of tea and a slice of cake – not to mention more intimate moments. You don't even have to go through the old 'It's not you, it's me' routine.

Such is the personal approach to creating a RealDoll, not to mention their spookily human appearance, it's perhaps no surprise that some owners treat them as friends as well as lovers. The movie *Lars and the Real Girl*, starring Ryan Gosling, presents a fictional account of such a scenario, although there are true life stories out there that illustrate just how close people get to their creations.

One man took his on holiday – leaving the wife and kids at home – and several have even 'married' their RealDolls. In Japan, one owner even held a funeral for his CandyGirl (a popular Japanese version of the RealDoll) after he decided to wed a real woman.

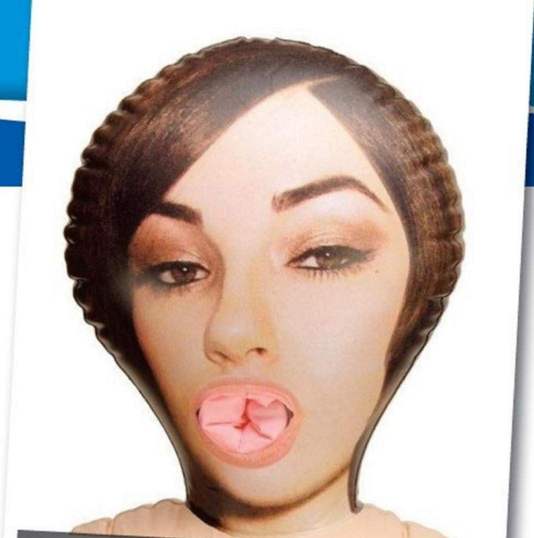
Although most people typically consider this kind of thing to be for lonely men who can't get a real girlfriend, the fact is that for whatever reason the thousands of individuals who have shelled out up to $9000 for a RealDoll simply prefer synthetic partners to the human alternative. There are even reports of couples introducing one into their love-making sessions for fuss-free threesomes.

Despite being generally considered the best product currently available in the field, criticism of the RealDoll for being heavy, awkward to manipulate and not particularly chatty beg the question – why have they not made a robot version? Well creator Matt McMullen did go as far as developing customisations such as powered limbs and computer controlled speech several years ago, but there wasn't sufficient demand to make these innovations worth pursuing.

However, that hasn't deterred True Companions from launching their Roxxxy the Sexbot. For the same price as a RealDoll you get an anatomically correct skeleton and a beating heart under flesh that feels real to the touch. Roxxy can also carry out simple conversations on several pre-programmed topics, has five personality types (from Frigid Farrah to Wild Wendy) and she can apparently even have an orgasm. She also looks quite a lot like Chrissie Hynde from The Pretenders (admittedly after she's had a stroke) and her voice sounds a bit like Stephen Hawking, which may or may not be a good thing depending on your kink.

Along with True Companions at the cutting edge of technology are a company creepily called Cyborgasmatrix – alongside their creation, Pandora Peaks. The selling point here are 44H tits (the body is taken from an actual casting of the busty American pornstar Pandora Peaks) and a thrusting robotic pelvis, but there's still no real conversation or autonomy of limb movement on offer for the $5000 asking price. Pandora can't walk, for example; she can't even wank you off for Pete's sake!

The ultimate fuckbot is still a distant sci-fi fantasy, and one of the main reasons for this appears to be down to lack of consumer demand. Serious fans of love dolls, it seems, want something that looks and feels like a human, is quiet and passive, has all the orifices in all the right places and will put out whenever you fancy. Doesn't sound too bad, does it?



If nothing else, Sasha Grey's doll is somewhere to stick your cigar when you're not smoking it...

Big in Japan – although they're actually a bit on the small side...

God, I hope my mum isn't reading this magazine...

Peaches

Photos: DDF

We’ve been huge Peaches fans here at *Men Only* ever since we first set eyes on the nubile lovely a few years back, and while we all seem to have grown slightly more careworn and decrepit in the intervening period, she only seems to have grown lovelier, so how come?!

“Well, I don’t know – I guess I was pretty young when I first started modelling,” she mused, “so I’ve been on a bit of an upward curve whereas you guys have, umm… oh.”

Been on a downward curve? Well perhaps you’re right, there’s no need yo rub it in. Still, the fact remains, Peaches is looking hornier now than she ever has done, and she seems to have got a bit ruder as well. The way she played with that pussy of hers during this shoot was certainly enough to get everyone in the rooms attention! And just for once it wasn’t our joints that were feeling stiff…

MG RAVER

I live in a small village and the choice of available girls is fairly limited, so when a new family moved in with a scorchingly-hot daughter, she was the talk of the place. All the single guys threw themselves at her and all were knocked-back. That just made her all the more desirable and mysterious. To be honest, I didn't even bother trying. The moment I saw her, I knew she was out of my league. She might have been tiny - her three inch heels bringing her up to perhaps 5'3". But she was gorgeous, with a fabulous figure… and didn't she know it. Her tight skirt was gloriously impractical as she tottered past me on her way to the bar, so short that it barely covered the pert curves of her bum cheeks. I watched for a while as she waited for her drink, posing - radiating inner confidence whilst flicking at her lustrous hair.

"You not drinking?" I looked-up from my paper to find the most glamorous girl in the village clutching a glass of white wine. People were watching.

> **"I groaned as her hot wetness enclosed the tip of my cock as I pushed forward…"**

"Nah. I'm driving."

"Oh yeah – you're the one with the MG Midget." I was impressed: most girls called it 'that funny little car'.

"That's right – are you interested in classic cars?"

"Not really. It's just that they used to call me that at school – MG Midget."

"Why's that – did your parents keep you in the garage?" It was a weak joke but I got a laugh.

"No. It's because my name's Megan and I'm not very tall…" I used the opportunity to look her up and down.

"Well your feet reach the ground without anything left over, so I'd say you're the perfect size for your height." That was what my Dad used to say to me before a late growth spurt put an end to the teasing at school. Megan laughed again and I was surprised as she helped herself to a chair and sat down, engulfing me in a cloud of some expensive fragrance. "You're funny. I like funny. Are you single?"

I was taken aback by the directness of her

question. "Yep."

"How come?"

"There's only eight eligible girls in the village and there's something wrong with all of them."

"Really? What's that?"

"I've already slept with them." Megan snorted prettily, then stopped.

"I feel left-out now."

"Well, you're more than welcome to join the club," I joked. But she didn't take it as a joke; the smile which warmed those lips made my cock straighten-up and take notice – it was a knowing and dirty smile. She stood-up and took my hand.

"What now?" I complained, as she dragged me towards the exit. "I've only just eaten." Girls these days are fast – she didn't even start her drink.

"Aren't you going to put up the hood?" she asked, as we got in the Midget. "It took me ages to do my hair."

"I think she looks better with her top down."

"So do I," Megan said. Even in the dimming light, I made out the soft smooth flesh of her breasts as she flashed me. "If you want to see them again, you need to put the hood up." She was smiling at me again but there was a determined look in her eyes. This was a girl who was used to getting what she wanted. I folded the hood into place and clipped it to the windshield. My head pressed against the thick vinyl as I wedged myself in behind the wheel.

> **"As she wanked me with more and more savagery my excitement grew."**

I drove home carefully which seemed to frustrate her – this girl was in a serious hurry and she fairly dragged me to the bedroom as soon as we got in the house. She slid out of her skirt and top before turning her attention to my clothes. Falling to her knees, she yanked my jeans down and extracted my semi-stiff prick. She took the end of it between her lips and as she moved back I felt my cock being stretched even as it swelled in her mouth. The moment I got a full erection, Megan stopped sucking and moved over to the bed.

"Come on, I need you to fuck me." Sucking on my cock hadn't been for my pleasure; it was just a way of getting me ready to service her. Megan wriggled under the duvet and extracted her underwear, so I knew that the little sexpot was now completely naked. She looked more gorgeous than ever as she peeked out at me with her precious hair streaming across the pillows. I got naked and slid into the bed, ending up in the missionary position over her. Her hand gripped my cock and guided it inside her. I groaned as her hot wetness enclosed the tip of my cock as I pushed forward. Megan sighed blissfully as I penetrated her and grunted softly as I inched further inside. She parted her thighs slightly and settled down into the bed with a luxurious squirm.

For such a petite girl, Megan didn't seem to have any trouble accommodating my cock. I eased in carefully, testing the way until my hips were pressing against her thighs. It was difficult not to delight at the thought of how many offers she had spurned to service this tight, wet pussy – instead choosing me for the job. As I pumped into her gently and rhythmically, I inched my face down to hers and kissed her. Megan's body stiffened for a moment, perhaps this was 'just' sex for her and she would refuse the intimacy of a kiss. Then her lips responded and her tongue flickered out eagerly to meet mine.

Megan groaned again and I felt something scrape along my cock. It was sharp, like a thorn and it wasn't until I felt her wrist brush against my belly that I realised that it was a fingernail and Megan's hand was down between her legs, playing with her clitoris. Her other hand reached back and gripped a bedpost. As I watched, the knuckles whitened and Megan's back arched. Gasping as her violent climax broke, Megan twisted, leaving my cock dangling above her writhing, contorted body. I have never seen a woman orgasm so powerfully, so completely.

Eventually she lay back, gave a little sigh of satisfaction and smiled up at me. It was a glorious view as I gazed down at her fully-exposed breasts and belly. The creamy flesh-mounds were shiny with sweat. I jumped as Megan wrapped her hand around my cock. She drove her hand back and forth and the intention was clear. As she wanked me with more and more savagery my excitement grew. Would she let me come on her face? I wanted to surrender to the violence of her manual assault but tried to hold back, enjoying the way Megan's tits were jiggling as her hand jerked back and forth. She got me close but fortunately had to swap hands and I was able to resist the less intense work-rate of her left hand, so it wasn't until she'd swapped back that I groaned to warn her of my impending orgasm.

Megan aimed my cock towards her pretty face and her open mouth made an inviting target. My cock erupted at the dirty vision. She tried to keep her eyes open but my first salvo landed forcefully on her nose and cheek. She shrieked with laughter, turning her face from side to side as I added to the white stripes covering her face. Once I'd finished, I lowered my cock and let her suck it before handing her a wad of tissues.

"Oh my God, how long is it since you last came?" Megan complained. She looked even more radiant now that she'd wiped away her make-up.

"This was my first non solo orgasm in months," I told her, truthfully.

"So it might not be quite so spectacular next time?"

"Next time?" I asked. "I like the sound of that!"

Ian, Gloucestershire.

MOTHERLY LOVE

All my life I have prided myself on looking my best, so after I had my daughter last year, I've worked really hard at getting back into shape. Being pregnant suited me and I didn't put on much weight, so it was mostly toning up my flabby bits again.

The thought of going to the gym filled me with horror, though, so I took up swimming instead. And I've kept it up, going any day I can rope in a friend or family member to baby-sit for a couple of hours for me. As well as exercise it gives me some time to myself – I love being a mother, but sometimes I just need to get out and be me, something which I'm sure most new mums feel at one time or other.

The pool's usually reasonably quiet at the times I go, but I soon got to know a few of the regulars by sight. Among the swimmers I'd often see were two lads in their early twenties, who used the little gym attached to it and swam a few lengths afterwards. They were both friendly lads and, after a while, I noticed them watching me as I got out of the pool. Although I'm 30 and married, I'm still human and felt flattered, so I'd have fun – harmlessly flirting a little and bantering, loving the effect I was having on them. My husband always calls me 'Mummy' nowadays, so it was nice to have someone go, "Alright, lovely?" whenever they saw me – even if it was in jest!

> **"I took a cock in each hand and began licking their helmets, savouring the salty flavour…"**

Last week, though, the harmless flirting got a bit more serious, something I never seriously imagined would happen. I had the pool to myself when they turned up, pumped up after a gym session. I was doing lengths as usual and, when I reached the shallow end, one of them – Jake – swam up to say hi. He was really giving me some chat this time, flirting outrageously. I stroked some wet hair out of my eyes, flashing my wedding ring at him to remind him I was taken, but he didn't seem bothered.

Yet again, I thought how gorgeous he was close up – big brown eyes and a really fit body. And then his mate, Ant, came up behind me, and put his hands on my hips. I still don't know exactly what got into me _ I just thought, "Fuck it..." leaned back, craned my neck and gave him a lingering kiss.

There was nobody around, luckily, not even a lifeguard – so there no one to say us a word to us about our behaviour. Even though the water was slightly chilly, I saw they both had massive hard-ons, their wet trunks clinging to the outlines of their cocks. A minute later, I was knelt down in a deserted group changing area with both of the guys standing in front of me.

I took a cock in each hand and began licking their helmets, switching my mouth between them, savouring the salty flavour as it

spread over my tongue. I lowered my mouth down and sucked on Jake's for a minute, but when I tried to pull away again he gently held my head in place.

I used to swim in a one-piece when I first started swimming here, but in the past few weeks I'd felt confident enough to wear a bikini, especially now my tummy was pretty flat again. As I got stuck in to Jake's hard member, I felt Ant behind me, pulling the bottoms down to my knees, giving him full access to my pussy.

Every time he dipped the tip of his finger inside me, it got me sucking harder on Jake's knob, taking it in deeper so it touched the roof of my mouth and hit the back of my throat.

When I finally came up for air, I asked the lads not to come inside me. Again, I may be in my 30s, but one child was more than enough for me – and I certainly didn't want a baby with either of these two youngsters!

> **"I felt Ant's swollen helmet pushing gently at the opening to my pussy…"**

"Can we come ON you?" asked Ant, and I agreed readily. I was feeling so dirty now I wanted to act like a slut. I felt Ant's swollen helmet pushing gently at the opening to my pussy before he slammed inside me forcefully, shoving my mouth forward onto Jake's prick. I just let him set the pace, and wrapped my hand around Jake's shaft, setting how deep he could sink into my mouth. Otherwise, I let them both fuck me as hard as they liked.

Guys that young don't tend to last long. Jake was holding out, but Ant was soon struggling, pausing to control himself, then only managing a few pushes before he had to stop again. I signalled him to come around in front of me, and he stood there, throbbing, as I squeezed just under his helmet – a trick I know to calm a bloke down!

Jake saw his chance and nipped in behind me, ramming his hard-on in my cunt and fucking me to the brink.

"Stop," I told him. "Just push in deep..." and he stayed in me down to his balls, as I frigged my clit to orgasm. As my groans and spasms subsided, Jake pulled out. He said he'd never felt a woman come around his cock before, which is where age and experience win, I suppose!

I had two cocks in front of my face now, glistening with my own cream. Jake wasn't quite as close to coming as his mate was, so I started with him, snaking my tongue around his length and scraping my teeth – very softly – over his tip, making him tremble. I then turned my attention to Ant. I had literally just closed my lips over the top of his bell-end when I felt the first little spurt of spunk in my mouth.

> **"I arched up, wanking the pair of them furiously, taking two loads simultaneously all over my tits."**

I arched up, wanking the pair of them furiously, taking two loads simultaneously all over my tits and face like a pro. I rubbed the creamy fluid into my skin before kneeling back on my haunches, letting them watch as it dripped down over my flat belly to my fair pubes.

I expected to feel a bit more guilt about it than I do, but – as stupid as it sounds – I felt like I was someone else when I did it. I certainly wasn't 'Mummy' anyway! I've told them it won't go on forever, but I'll be after regular 'workouts' for the foreseeable future, starting with the following week!

Deborah, via email.

DVD Reviews

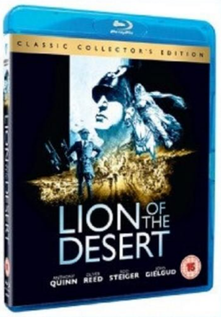
Bet you didn't think we'd be mentioning Bonnie Tyler in the reviews page this month, but she's in there, if you look closely enough...

DVD OF THE MONTH

LION OF THE DESERT

Anchor Bay Entertainment

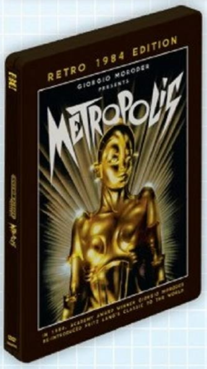
8/10



Before he ended up as a rather pitiful corpse shortly after having been found lurking in a drain, Muammar Gaddafi was many things – dictator, oppressor, autocrat, buffoon, but apart from all the terrible roles he played so badly, he also managed to play one relatively successfully – film producer. He was never shy of plundering his country's wealth for various vanity projects, so perhaps it was only natural that he should bankroll a film or two, but what is surprising is that one of the films – ahem, this one, in fact – should turn out quite so well…

There weren't many producers who'd be prepared to chuck $35 million at a movie back in 1981 (it was more than three times the amount spent on *Stars Wars*, for example), but Gadaffi had both the dough and the inclination, hiring Moustapha Akkad to direct the epic tale of Mussolini's attempts to recolonise (about 1600 years after the Romans had left) North Africa. This being the Italian army, of course, things don't quite go all their way, and the Bedouin resistance, led by Anthony Quinn, pull out all the stops to foil the invaders, despite their hugely superior firepower. Aside from Quinn the cast boasts Oliver Reed as Italian general Rodolfo Graziani, Rod Steiger as Mussolini himself and John Gielgud as a Libyan statesman who rather lets the side down. But alongside the big cast, $35 million also pays for some truly astonishing battle scenes – if you like great big war epics, this one's got to be on your list!

Way back in 1984 everyone's minds were firmly focussed on a dystopian vision of the future. No, I'm not walking about the Orwell book but *Metropolis*, Fritz Lang's groundbreaking flick from 1927. 'But why?' I hear you ask. Well, because in 1984 one of the pioneers of electro-pop Giorgio Moroder (who propelled Donna Summer to chart success with *I Feel Love* and had just scored the soundtrack to *Scarface*) gathered an all star cast together to provide a new soundtrack for this proto-futurist masterpiece. With the likes of Freddy Mercury, Bonnie Tyler Jon Anderson and, er, Adam Ant contributing, the soundtrack served its purpose of bringing a classic up to date, although now, of course, it just seems a bit old fashioned in two different ways! Still, it's a cracking film, and who doesn't love a bit of 80s pop, eh?



METROPOLIS

Eureka Entertainment

9/10

Here's a question for you – how many British flicks have starred Mark Hammill, the original Jedi wanabee from the good *Star Wars* trilogy? None, right? Well that would have been right a few months ago, but not any more! That's right, what we have here is a British movie starring the original Luke Skywalker, and while he's looking a fair bit older than he did back in the day the same thing could, I suspect, be said for the rest of us…

Hammill plays an ATC bod who finds he's got a strange plane on his hands – it's gone off course and passengers are disappearing. Is it a hijacking or what? The answer turns out to be what, in that the flight is bedevilled by an ancient curse that's linked to a vase on board. Daft? Of course, but this is classic cult fodder, and it's nice to see Hammill doing more than a voiceover!

GAME OF THE MONTH

Dubai – it's never going to last, is it? Let's face it, the whole place is nothing but a great big folly built in the desert with the proceeds of whopping oil revenues but in 100 years or so it's going to be totally uninhabitable. That's what I reckon, anyway, and it looks like the creatives behind this new Spec Ops (Special Operations, man!) title because the games set in the smoldering husk of the place.

Bearing little or no relation to previous SO titles in terms of plot, at least, this game is a third person shooter in which you have to direct a three man Delta Force squad into what's left of Dubai in order to track down a certain Colonel Konrad, who's vanished there some time earlier but who's recently radio signalled out that he's still alive. That's right, there's a touch of Heart of Darkness about things, but while the overwhelming atmosphere might be one of despair and desolation, there's also a good bit of shooting people to be done, with your armoury swelling along the way as you off your opponents (insurgents who really don't seem to want you there) and you enter the carnage. Full on stuff, really…

THE DARK EYE

Daedalic - PC.

7/10

PC DVD
The Dark Eye
Chains of Satinav
16

Hard-core role-players should know all about *The Dark Eye* – it's been knocking around for over quarter of a century now, and *Chains of Satinav* is the latest title in the franchise. Yes, the title might put you in mind of some sort of GPS, but there's none of that to worry about – just plenty of fantasy world based shenanigans, and strangely, given the RPG heritage, this is more of a straight adventure game than anything else. That said, the visuals are breathtaking, and it won't be long before you find yourself fully immersed in the world of Geron, the young lad you play as he sets about his quest…

BATMAN 2: DC SUPER HEROES

TT Games – Every platform!

8/10

There's really no getting way from these superheroes any more, is there? Just when you think a character's been flogged to death they star tall over again with a film called something like *Awakening* or *Beginning*. Still, to be fair the quality control's usually pretty high, and these Lego games are always fun. And so, surprise surprise, is this one. DC comics are Marvelling it up by throwing multiple heroes at you, and well, you get to jump, climb and fly around smashing stuff! Woo-hoo!

Porn Reviews

Do you have any idea how many hours of bongo our man has to sit through each month before he can hand pick the cream of the crop for you lot? Well it's about 14, as it happens…

DALLAS XXX A PARODY

Adam & Eve

CAST: Alexis Ford, India Summer, Bobbi Starr, Brooklyn Lee.

EDITOR'S CHOICE

Porno producers have ben scouring the TV and cinema back catalogue for some time searching for old franchises to parody, so it comes as something of a surprise to realise that they've only just got round to *Dallas*. Still, here we are, and the flicks kicks off with the infamous Dallas moment when it turns out Bobby Ewing wasn't really dead at all – just having a shower. This being a porno, Bobby emerges from the shower and sets to on the person of India Summer, who's ready and waiting for him on the bed. It's an eye-pleasing enough pairing, with India's furry nadger doing great work as it slides around stud James Deen's pole. By the time he finally pulls out of her as she rides him reverse cowgirl and splashes off all over her tum I think there were at least three of us who were more than satisfied.

From there we cut to Eric Masterson's JR, who's giving a press conference and, once you can get beyond his resemblance to *Strictly Come Dancing* judge Craig, puts in a good performance as the oil baron who's decided to diversify the business following news that the oil industry's going to be nationalised (eh?!). Anyway, that's enough of that – and we're soon back on message with Alex Texas getting poked in the stables by a ranch-hand, who keeps his hat on even as he's splashing off over her shapely feet.

The plot intervenes a bit more, and then Bobbi Starr's up, playing a furry-fannied Sue Ellen who picks up a cowboy for no strings nookie, the dirty mare! With Brooklyn Lee still to come, the cast's pretty hot, and the parody's no worse than most! **4/5**

WHORE HOTEL

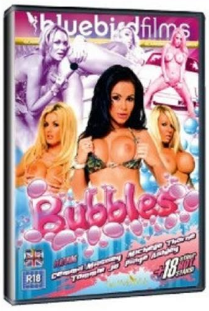
Harmony

CAST: Henessy, Linet Slag, Megan Coxxx, Skin Diamond, Valentina.

The first thing to understand about Whore Hotel is that is isn't filmed or even set in a hotel. Not, what we have here is three studs – Danny Dyer, Oliver Sanchez and Marco Banderas in a holiday villa together, and the lads are bored. Not enough pussy, you see, so what do they do? They decide to stick it to the selection of porno flampers they chance across, that's what! Who should stroll in but Henessy the maid, who as well as agreeing to some laundry lets the lads plunder her holes as well. It turns out to be a cracking opener, too – she clearly loves to suck a cock or two, and is soon getting pronged in the jacksie and then DPed in high style.

For some reason Oliver missed out on this one, but all three of the lads are involved in the next tryst, after Danny's picked up lost motorist Valentina, who can't speak English. They're very amenable, these foreign girls, and she's soon wedged in the middle of a three cock sarnie, with every hole being plundered mercilessly until they've all splashed off over her. And even then they don't give her directions!

After that the lads split up for a while – Marco gets it on with his 'girlfriend' Megan Coxxx, who turns up to surprise him, while Oliver gives an extremely thorough English lesson to French cutie Linet Slag (quite possibly the girl with the funniest screen name in the business). They just about get as far as 'Tits', 'kiss' and 'cock' before Ollie gets carried away and, well, linguistics take a back seat as he reams her juicy snatch for all he's worth. With a trio of Skin Diamond (no relation to Bob), Henessy and Danny to close, this is a stonker. **4/5**

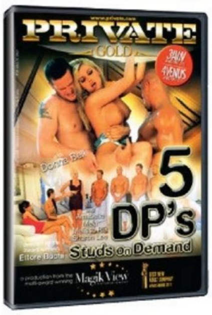


BUBBLES

Bluebird Films

CAST: Gemma Massey, Michelle Thorne, Tommie Jo, Paige Ashley, Katie K, Kate Hunter, Krystal Webb, Cindy Behr, Anastasia Stevens… and more.

New York, as fans of Frank Sinatra will be all too aware, was so good they named it twice – and that's even assuming the natives hadn't already given it a name before tricksy European types got over there! But twice schmice – clearly the producers of this flick that once you've had a good idea you can repeat it with scant variation no fewer than six times, because aside from the personnel involved, each scene in this flick is identical. A selection of girls (generally 3) stand around beside a rather ad hoc looking car wash sign as another drives up in a sporty looking vehicle. they proceed to wash the bonnet for a few seconds before forgetting about the wheels altogether and getting stuck into each other instead. So why should you bother sticking it in the machine and attempting to work up a little lather of your own? Well take a look at the cast. As well as our very own Michelle Thorne (who, unless I was going cross-eyed by the time I was an hour or so in, pitches up in a couple of scenes), there's chesty beauties like Tommie Jo, Gemma Massey and Krystal Webb to look out for. In fact nearly every UK pornster crops up sooner or later, and while the cars don't really end up much cleaner than they were when the whole thing starts, you've got to admire the effort the girls have put in. Probably not one to watch from start to end, but worth dipping into from time to time, as the mood takes you. **3/5 Available in your local sex shop.**



5 DP'S: STUDS ON DEMAND

Private

CAST: Donna Bell, Amabella, Mela, Melissa Ria, Sharon Lee.

Occasional *Men Only* model Melissa's first to take on the two dick challenge here, and, once you've got past the annoying voiceover that characterises so many Private flicks these days, she wastes little time in having a slurp on the two johnsons on offer. Thereafter, as you might expect from the title, it doesn't take too long before she's having both her front and back doors kicked in. Things proceed apace until they're both done, while a rasping saxophone parps away in the background. Whilst the girls "chatted up some sexual banter", oriental cutie Sharon Lee grabs a couple of studs for her DP - and the boys do her proud. There's plenty more of the same to come, with sleazy jazz playing in the background while a girl gets double pronged (in the same bed). Donna Bell's probably the tastiest of the bunch, but by the end you can't help feeling you've seen the same scene quite a few times. ***3/5***

SECRET LIVES OF KEPT WIVES

Viv Thomas

CAST: Michelle Moist, Natalia Forrest, Blue Angel, Amabella, Aleska Diamond, Nesty, Geena Gain, Nikki Thorne.

This flick starts with a bit of a stretch of the imagination – Michelle Moist's fella's too interested in jetsetting to hang around and prong her every hour of the day! Instead, who should she find tarting about in the bedroom but Natalia Forrest (the *au pair*!). Well, you don't need me to tell you what happens next, do you? Both girls wank for a bit before getting it on – the voiceover vanishes and what we're left is is a rather classily shot bit of lesbiage. Hmm, is this one aimed at girls with a lesbo fantasy in the locker, I wonder? Then again, cocks are to the fore in the remaining four scenes, each of which starts with a bit of *50 Shades of Grey* narration. Porn for couples, then, with highlights including the one boy/two girl pronging for Aleska and Nesty. Yes, the dubbing's a bit here and there, but if it's a flick to watch with the missus, this should tick a lot of the right boxes. **3/5 Available from your local sex shop.**

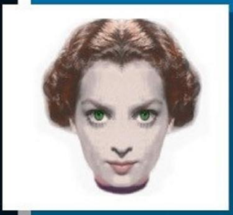
The Contortion Homepage
http://www.contortionhomepage.com/
A site "dedicated to the beautiful art of contortion", with a huge gallery of images depicting people posing (and holding still) in twisted positions one would simply not think possible. Most of the contortees look content, or at least, not in pain. But others leave the visitor wondering if perhaps their limbs and heads are turned the wrong way due to automobile accidents or 20-storey falls from tower blocks and suspicious that the pictures may have been snapped by yobbos on stolen mobile phones before the cops and ambulances arrived.

Plus Contortionists Unite! [should that not be "Untie"?] provide instruction in "the art". "We begin our mental journey by skimming the mind through an orbit of important body places. First inhale and let your belly out, as if you are blowing up an orange balloon behind your navel. Exhale, and shrink the balloon so that the navel can touch the spine. Do it at least six times."

What they don't say is "good luck".

Wear Out Your Retinas Just For The Heck Of It
http://www.stairwell.com/stare/
"Stare Down Sally" is a super-simple online game for people with more than one screw loose and probably two bolts in their neck. And it's free! Here's how it works:



"In a moment, you'll meet Sally. She'll be staring at you with a powerful green-eyed gaze. She may stare for an instant... she may stare for several seconds... or she may stare for what seems like an eternity. But eventually, Sally will blink.

"DO YOU HAVE THE POWER TO STARE BACK ...and NOT BLINK?"

As Clint would say: "Well do you, punk?"

Too Cute For Words
http://attackofthecute.com
Jared Wunsch of Seattle, Washington, brings the online world a gigantic and adorable photo site, to which visitors contribute pictures of their unbelievably cute pets – be they dogs, cats, ferrets, rabbits (but not snakes or big fucking hairy spiders) or even some especially gorgeous animal they discovered at the zoo which made them say "Awwww".

This Is Why I'm Broke
http://www.thisiswhyimbroke.com/

A website dedicated to "unique window-shopping", showcasing what it describes as "unusual consumer products" – though some might dub many of them slightly ludicrous. The price tags, sadly, often reflect a similar degree of insanity.

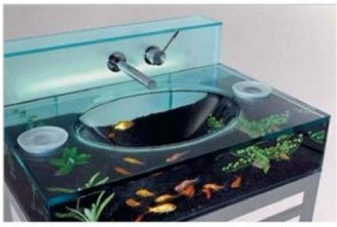
This is the place to order peculiar gadgets and garments, bizarre weapons, more than usually dangerous kitchen utensils, and furniture you don't know whether to sit on or wrestle.

Pistol BBQ Grill

For loopy dads and their unfortunate infant sons there is the Flying Radio Controlled Shark, made from durable nylon and kept aloft by helium. When swimming through the air above your horrified crying toddler "the shark's back fin moves and gives a surprisingly realistic look to anyone caught in this deadly beast's way". Not only that, if the monstrosity deflates, it's refillable.

Flying Radio Control Shark

Aquarium Sink



There's a paparazzi style "super-detailed zoom camera lens" which doubles as a coffee mug. "You can even drink out of it!" says the ad. Goodo. And a pair of medieval hand blades which spring out from between your fingers and allow you to slash people like Hugh Jackman. (Though Hugh Jackman is a nice enough man and you really have no cause to hurt him.)

But such novelties are small potatoes when you consider that for a mere $130,000 you can purchase a water thrusting jet-pack capable of lifting you over 20 feet in the air and propelling you forward at 22 mph. Doubtless smack into the nearest brick wall, it's true – but, trust me, buy one of these babies, as I did, and you really won't care if it winds up killing you.

Home Of The Aluminium Foil Deflector Beanie
http://zapatopi.net/afdb/

According to this needlessly massive website, an Aluminium Foil Deflector Beanie is the most effective, low-cost solution to combating mind-control. That's right, the silly little tin-foil cone hats Mel Gibson and his son and brother wore to stop the aliens influencing them in that old plonker of a film *Signs* (2002). But the fact is – say the web masters – that if you don't keep one of these on your napper 24/7 you are leaving yourself open to manipulation by covert agencies, invading "paraterrestrial" life-forms, and (one presumes) The Archers on Radio 4. No, honestly.

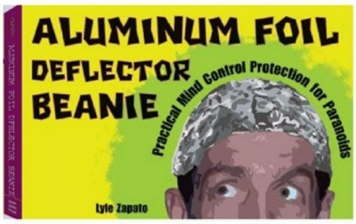
These webmasters are so concerned for the safety of ourselves, our sprogs and our pets that they don't even mind if we don't buy our aluminium foil deflector beanies from them. They are quite happy to tell us (at inordinate length – I mean, how hard can wrapping foil round your bonce be?) how to "construct" our own beanies.

But they're not just motivated by a spirit of generosity. The webmasters believe we are all of us imperilled, night and day, by "hidden forces", and anyone who thinks they can sleep without a foil beanie on and wake up with their mind intact is delusional.

In an ideal world, they'd like to see all houses "covered in sheet tin and psychotronic grounding poles" inside which the "occupants would be safe from all harm".

My own view is that the best way to protect your brain is not to visit this mental site at all.

Of course, it's always conceivable that this is untrue, and that because of my failure to wear the proper foil headgear in the shower this morning I have become an unknowing mouthpiece for the aliens, bent on leading you all down the primrose path to becoming marionettes. Or a bunch of muppets.



Sabrina

Photos: JS Hicks

Leggy Sabrina looks to us like a girl of rather refined taste – there's something about her face that suggests she's someone who knows a good wine from a bad one and who might even have the odd classical CD in her collection. So are we right or not…?

"Ha, I think I've got that sort of face, but I wouldn't say I'm particularly snooty or anything!" She laughed. "Yes, I do like a bit of classical music, but really my tastes are pretty much the same as everyones."

Including your taste in men?

"Yes, I think so – men and women. There's not much that can beat a nice smile, some interesting chat, a bit of consideration. These are the only real things that work if you want to try and chat me up."

So you're not so bothered about a great body and a big cock, then?

"Oh yes, those as well of course!"

D'oh!

Last time we featured the über-cute Rihanna she was in the shower, but readers will be pleased to know that's she's just as filthy as she ever was! In fact it was as much as we could do to stop her fingering her tight little bumhole all the way through this shoot.

"I've only just discovered the joys of anal sex!" she gushed when we enquired what the deal was with the bum fixation. "I was a bit tipsy a few weeks back and when my boyfriend decided to try a bit of backdoor action, I figured I'd let him."

And?

"And it was amazing! I had an orgasm unlike any I'd ever had before. The feeling of his cock pounding my tight hole was mind-blowing! Now I can't stop playing with my bum – and neither can he!"

Well we can't blame either of you. If you ever need a cock in a hurry to poke up there, do remember to give us a call, won't you?
